APPLICATION FEES

Fees

The application fees pay for administrative staff time related to the assembly and distribution of the application materials, administration of internal and public meetings, publication of the public hearing notice in The Patriot, and for postage to mail the required notices to adjacent properties. These fees do not include professional staff review time, recording fees, or additional fees that may occur.

**\$325 fee
plus \$1,000 escrow**

Escrow

The escrow is used to pay consultants for review of land use cases, hours applied to an application by professional staff, as well as recording and additional fees, where required. Staff hours may include time spent on review, site visits, documentation, presentations, meetings, and all inspections.

If the escrow is used in its entirety, the responsible party indicated in Billing Information will be billed monthly for additional services (see Agreement to Pay Costs of Review). Remaining balances will be refunded to the party that posted the escrow.

AGREEMENT TO PAY COSTS OF REVIEW – REQUIRED

It is the policy of Becker Township to require the party indicated as the Fee Owner to reimburse the township for costs incurred by the township in reviewing and acting upon applications, so that these

costs are not borne by the taxpayers of the township. These costs include all of the township’s out-of-pocket costs for expenses, including the township’s costs for review of the application by the township’s engineer, planning staff, township attorney, or other consultants; recording fees, and necessary publication costs. Additionally, these costs do include actual time spent by professional staff on a particular application.

If payment is not received with the application, the township may return the application for failure to comply with the requirements for processing the application or may suspend the application review process.

The township will invoice the party indicated in Billing Information for costs incurred after the escrow is depleted, and payment will be due within thirty (30) days.

Payment for costs will be required whether the application is granted or denied and unpaid fees may be assessed to property taxes, with penalty.

The undersigned has received the above policy regarding the payment of costs of review, understands that reimbursement to the township of costs incurred in reviewing the application will be required as set forth in the policy, agrees to reimburse the township as required in the policy, and make payment when billed by the township.

The application for interim use permit approval shall be on this form and shall include the established fee.

- 1) The application and copies of the site plan shall be submitted twenty six (26) days prior to the next Planning Commission meeting. Please see meeting schedule either attached or online at www.beckertownship.org/planning-calendar.html.

Notice of the Public Hearing shall be publicized in the official paper and notice shall be mailed to each owner of property situated wholly or partly within 500 feet of the property to which the conditional use is related at least ten (10) days prior to the Meeting. The Town of Becker shall be responsible for mailing such notices.

I HEREBY CERTIFY that I have no delinquent property taxes, special assessments, penalties, interest, or municipal utility fees due on the parcel to which the application relates. I am also aware that the property taxes which are being paid under the provisions of a court order or which are in the process of being appealed are not considered delinquent for purposes of this law if all payments under the terms of the order or appeal have been paid.

I FURTHER CERTIFY that if I am in violation of this requirement, the Town of Becker may deny the permit application by law.
